SUMMER bingo

Someone asked for a snack five minutes after eating.	There's a wet towel somewhere in your house.	You've considered hiding in your own bathroom.
You've said, "If you don’t stop fighting, we're not going."		The popsicles disappeared again.
You're somehow out of sunscreen.	You’ve ditched bedtime.	There’s a weird smell, and you can’t find where it’s coming from.
